

Game: Pre-Season #1 (25511)

Date: 22 April 2007

Time: 8:45 PM

Rink: East

Opponent: Cereal Killers

In a 6-2 pre-season win over the Cereal Killers Phase Matrix welcomed Anthony Gadd and Steven Willhide to the team. Also in this game Jim Olson returned full time to PM and immediately made his presence known with a two goal performance.

We did a good job of drawing penalties (CK had 9 to include a game misconduct) and also took our share but did a good job of not losing our composure when the calls went against us. We cashed in with two power play goals and had a couple of shorthanded scoring chances. The Defense did a very good job limiting the number of shots Kevin Vaughan would face.

This was a very good pre-season game that gave us all the chance to shake off a couple of weeks "rust" after a Championship Season. We picked up where we left off and if one game is any indication the additions we have made have made us a stronger team.

Next up for the final pre-season game are the "Brewins" 9:00 PM Sat April 28th, North Rink.
