Phase Matrix holds first place and makes statement in 10-3 beating of K-Wings.

Phase Matrix avenged an 8-6 loss in their last meeting with the K-Wings by defeating the K-Wings 10-3. For the second straight game Vlad Adam registered a Hat Trick for PM. Gabe Gomez tallied two goals and four assists for a six point game! Since moving to the "O" from defense Gomez has become a force opposing teams have to account for. Randy Ayento, showing play making ability also racked up four assists.

Just as impressive as the individual accomplishments was the way PM controlled the puck, out shot the K-Wings 37 -14 and held both M. Klamm and B. Pignone of the K-Wings in check and limited their offensive output to one assist. Klamm and Pignone are currently 1 & 2 in the league in points with a 2.91 and 2.36 points per game average respectively.
