Phase Matrix stunned by Cereal Killers in 4-3 defeat.

Credit an inspired performance by an outmanned Cereal Killer team that capitalized on their limited opportunities and scored the game winning goal with just 14 seconds remaining.

For the vast majority of the game Phase Matrix controlled the play but was unable to put away the Cereal Killers who just kept hanging around until the closing moments.

Penalties were even at 6 each. Phase Matrix went 0 for 6 on the power play while the Cereal Killers were 1 for 6.

As Code Blue 2 (1 point behind PM) and the Chiefs (2 points behind PM) play later this evening this loss means that PM will go into the final two games either tied for first or in second place setting up a critical game against the Chiefs next week.
